DECISION

06/31/2006 SEARCHED 00000002 190065 10502039
SITE SPECIFIC COUPLING OF POLYPEPTIDES
PCT/EP2005/000604
FL 1450 400.00 19502039

This is a decision on applicants' petition under 37 CFR 1.182 filed via facsimile transmission in the United States Patent and Trademark Office (USPTO) on 12 June 2006. The petition fee of \$400.00 has been charged to counsel's Deposit Account No. 19-0065. The petition is **GRANTED** as discussed below.

On 07 June 2006, applicants filed a transmittal letter for entry into the national stage in the United States which was accompanied by, *inter alia*, the basic national fee. The transmittal letter requested that the application papers be processed as the national stage application of international application PCT/EP2004/000604.

On 12 June 2006, applicants filed the instant petition under 37 CFR 1.182.

A review of the application file including counsel's statements in the instant submission, as well as a review of the international publication of PCT/EP2004/000604, reveals that the indication of international application PCT/EP2004/000604 was incorrect, and that the present application should in fact be the national stage application of international application PCT/EP2005/000604.

Please direct further correspondence with respect to this matter to Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations to continue national stage processing of the application.
